

# Tech for Health and Inclusion Homework Task

NAME

---

HOMEWORK DUE DATE

---

## YOUR TASK

Work with an adult at home to match the picture of the famous person in tech to their name and role.

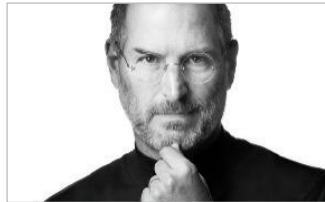

### OPTION 1:

Your challenge is to find the answers **without using any tech**. Use the knowledge of people around you, for example friends, family, teachers and classmates.

Once you think you know the answer, draw a line between each picture, name and statement to link them correctly.

### OPTION 2:

Research these people in more detail and present your findings in any way you would like to.

**Stephanie Shirley**

Known for being a British information technology pioneer.

**Katherine Johnson**

Known for being a mathematician who laid the groundwork for modern computer science. Recognised today as the world's first computer programmer.

**Steve Jobs**

Known for being the chairperson, Chief Executive Officer and co-founder of Apple Inc. Passed away in 2011.

**Ada Lovelace**

Known for being the Chief Operating Officer of Facebook and founder of Leanin.org.

**Sheryl Sandberg**

Known for being a mathematician whose calculations of orbital mechanics as a NASA employee were critical to the success of the first U.S. manned spaceflight.
