

Tech for Manufacturing & Engineering Homework

NAME

HOMEWORK DUE DATE

All of the daily products and devices we use will have been designed and manufactured at some point. Products and devices are constantly evolving and changing as technology advances.

Your Task

Draw a picture of a device/product you use daily i.e. phone, pen, sofa etc. Redesign the product to include an element of tech and special features which will help the user. Annotate and draw over the existing picture to explain your product's new tech enabled features.

A large, empty rectangular box with a thin blue border, intended for the student to draw and annotate a product with new tech-enabled features.
